Puget Sound IIDA Lighting Awards Banquet

The International Illumination Design Awards (IIDA) program of the IESNA provides a unique opportunity for public recognition of professionalism, ingenuity, and originality in lighting design based upon the individual merit of each entry judged against specific criteria.

Join us for a review of this year's most exciting lighting design projects. The Puget Sound Sections IIDA awards program had 12 projects submitted with 9 section award winners. These projects exemplify the outstanding work done by local lighting professionals.

Come join us to witness and celebrate this year's award winners. Regional award winners and projects that have been forwarded to International judging will be announced.
